

# Electromagnetic (EM) Waves

Characteristics:	How are they made?	Electromagnetic Spectrum:	Types of EM Waves:
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____

## Absorption

Characteristics:

Example/Illustration:

## Reflection

Characteristics:

Example/Illustration:

## Diffraction

Characteristics:

Example/Illustration:

## Refraction

Characteristics:

Example/Illustration:
